**URGENT LETTER TO THE ESTEEMED SECRETARY-GENERAL OF THE
UNITED NATIONS,
THE HONORABLE BAN-KI MOON
FROM ORTHODOX JEWS IN JERUSALEM AND WORLDWIDE ABOUT THE
CURRENT ZIONIST ONSLAUGHT AGAINST THE PALESTINIANS IN GAZA**

Dear Hon. Secretary-General:

It is with a heavy heart that we write you from the city of Jerusalem. For sixty years the authorities of what is mischaracterized as the “Jewish State” have been undertaking a vicious campaign of oppression and ethnic cleansing against millions of Palestinians who currently still live in historic Palestine and who are refugees from Palestine in other countries. And they have been committing all these crimes in the name of the ancient and holy Jewish religion!

For sixty years the State of Israel been desecrating and violating our sacred religion! For sixty years the State of Israel has been flaunting international law and United Nation General Assembly and Security Council resolutions! For sixty years they have been bringing Mankind to the edge of world war, claiming to do so in the name of Judaism!

Even today, as we write this letter, the Zionist regime is waging an unrelenting war of starvation and suffering against the people of Gaza. In the name of the sacred values of the Jewish religion we cry out to the international community and especially the great powers and the United Nations: *Please use your skills to finally stop the vicious and insane campaigns of the State of Israel against the Palestinians whose suffering worsens from one day to the next under the heavy hand of occupation and oppression, ethnic cleansing and discrimination!*

Mr. Secretary-General, we beseech you to use your offices to work with world leaders to stop this mad campaign of collective punishment and oppression! Our holy religion teaches us values that are the utter opposite of those of the State of Israel: we are taught by our Torah to live in harmony and brotherhood, friendship and neighborliness.

The State of Israel is trying to use its military power to preserve its ethnocracy and is demanding that the world community watch silently as they continue to hammer the Palestinian People year after year with the most sophisticated weapons of war. This cannot go on any longer! The state-sponsored terrorism and collective punishment practiced by the State of Israel must be condemned and stopped!

We fervently pray that G-d guide world leaders to take the necessary action to stop the suffering of the Palestinian People, rein in the State of Israel, restore the full rights of the Palestinians throughout their homeland in historic Palestine, and thereby create peace not only in the Holy Land, but also throughout the world. **The world cannot stand by and watch the State of Israel commit these terrible crimes!**

Thank you kindly for your attention to this urgent matter,

Yours truly,

Rabbi Meir Hirsh

To

Honorable Doctor Mahmud Al-Zahar

As Orthodox Anti-Zionist Jews we harshly condemned the brutal acts of terrorism committed by the Zionist thug regime against the Palestinian People.

We wish to express our most sincere sympathies to all suffering Palestinians, especially following the latest vicious attack of the Zionists in Gaza.

We also wish to express our most sincere sympathies to you personally, Dr. Al-Zahar, for the death of your son, Hussam, at the hands of the Zionists following on the tragic murder of your other son, Khalid, several years ago at the hands of the Zionists.

We pray fervently to God to stop the vicious crimes of the Zionist regime and to dismantle that absurd Zionist state and restore all the rights to the Palestinian People, both those living inside Zionist-occupied Palestine and in other countries as refugees.

STATEMENT BY anti-Zionist Orthodox Jews including Neturei Karta

Anti-Zionist Orthodox Jews react with horror at the most recent Zionist terrorist massacre that has occurred in Gaza. This vicious and beastly act is only one in a long chain of massacres, terror, ethnic cleansing and oppression committed against the Palestinian People by the wicked Zionist movement stretching back all the way to 1948,

Anti-Zionist Jews condemn the Zionists in no uncertain terms for their violent and bloodthirsty behavior carried out in the name of the Jewish People and the Jewish Religion.

We cannot understand why great world powers seem to give the Zionists a free hand to commit such crimes against the indigenous Palestinian People from the comfort of their F16 fighter jets, helicopter gun ships and Merkava tanks.

When will the world bring the Zionists under control and restore the rights of the Palestinians throughout historic Palestine?

When will the major world powers stop the Zionists from committing crimes that will lead to World War III?!

Zionism is doomed! The Zionist Regime is doomed! The Holy Land will be restored to the Palestinians! It is not a matter of “if” but only “when”!

Suffering and bloodshed can only end with the dismantling of the Zionist State, plain and simple. It can only end when the full rights of the Palestinians are restored throughout Palestine, including the rights of the Palestinian refugees to return to their homeland. This is the only solution that will benefit Jews and Arabs.

STOP ZIONIST AGGRESSION!! STOP ZIONIST ETHNIC CLEANSING AND MASSACRES!! STOP ZIONIST RACISM!!

WE CALL ON THE WORLD'S NATIONS TO STOP ZIONIST BRUTALITY AND TERRORISM!!
